

The U.S. Handicapable Square Dance Conventions adhere to the Handicapable Call Lists established by Handilab, a group of Handicapable Callers. We use two lists, one is our Basic List, and is used to call to an open floor during the Convention. There are seventeen calls on this list. We also use our Advanced List when calling to a workshop or an advanced Floor.

We are listing both of these here for your benefit. If you or your club attends the Convention, you dancers should be ready to dance the Basic List. If they wish to dance during an advanced session they will need to dance the Advanced List. The same rules apply to callers while calling to these types of sessions at the Convention.
